

## SUDAN PEOPLES' LIBERATION MOVEMENT/ARMY GENERAL HEADQUARTERS

### To Whom It My Concern

This is to certify that the SPLM/SPLA has established a National Oil Company, the Sudd Oil Company with the specific and stated intent to carry and conduct business in two major sectors of Oil and Gas industry: upstream and downstream.

Sudd Oil shall engage the Oil and Gas Operationing Companies in the areas that are under the administration of SPLM/SPLA on the following:

1. Address and manage the environmental impact caused by the abrupt shutdown of the oil operations due to the sudden outbreak of the conflict in December 15, 2013;
2. Resume the oil production;
3. Continue exploration and development in the new fields; and
4. Ensure transportation and exportation of oil through the existing facilities.

Furthermore, Sudd Oil is mandated with the development of the refining industry. In pursuit of its mission Sudd Oil is mandated to mobilize resources, attract investors and enter into partnerships.

The Executive Chairman of Sudd Oil, Dr. Costello Garang Ring Lual, is authorized to negotiate on behalf of the Sudd Oil on all the aforesaid issues including matters pertaining to identifying partners, forming joint ventures and mobilizing resources from the financial markets and any other sources. All his assignments as the Executive Chairman of Sudd Oil are subject of the fiduciary responsibility of the company and in consultation with the Leadership of SPLM/SPLA.

Yours truly,

Riek Machar Teny (PhD)

Chairman and Commander-in-Chief of SPLM/SPLA
